

Mexico News

DAILY

Mexico News Daily has been the leading source of English language news and information on Mexico since 2014. We have over 1 million readers monthly, and have written over 25,000 articles on news, business, politics, culture, travel, food and lifestyle.

MND_KIDS

A publication by *Mexico News Daily* designed to assist students in dual language immersion programs through engaging and concise non-fiction literature. We celebrate Mexico's heritage by sharing stories about its culture, history, and accomplishments. Our age-appropriate content aims to inspire young minds to be curious and informed, while challenging traditional media stereotypes.

We support student learning in 4 key areas:

Language Development

- Enriching dual language immersion
- Engaging, digestible formats, customized for age-appropriate learning

Identity

- Understanding of Mexico's place in the world history, that is often missing from standard textbooks
- Strengthens pride in heritage

Critical Thinking

- Learning to assess information for bias, reliability, and intent
- Active learning through reading vs. TikTok

Media Literacy

- Active engagement with cross-curriculum topics: current events, history and culture
- Discerning facts from opinions

3 levels available: 3-5 grade | 6-8 grade | 9-12 grade

- Excellent learning tool for parent engagement
- Accessible via ClassLink

MND_ MISSION

Elevate Mexico's profile as a premier destination for tourists, expats, investors, businesses, and *kids* by providing the most complete and balanced coverage of news and information on Mexico.

We teach how to think, not *what* to think.
